Deep top-of-book liquidity and a new standard  
of excellence.

# W H O A R E W E ?

Eurocapital is a Prime of Prime liquidity provider that delivers full-circle solutions and secure offerings.

We are part of the pioneering Eurotrader Group, an experienced collection of banking, fintech and payment companies that champions innovation and authenticity.

## Bespoke trading solutions

We can tailor our offering to meet the most unique and detailed of our clients' needs. Complemented by our highly liquid and innovative trading environment, we can deliver solutions that are truly bespoke.

## Market-leading technology

Our online trading platforms, third-party distribution hubs and co-located API connections integrate seamlessly with existing connections and allow for freedom of choice.

## Multiple asset classes

With over thirty years of industry experience, Eurocapital draws on its knowledgeable heritage to set new standards for direct market access to multi-asset classes.

## Personalised service

Our attentive team is professionally invested in creating the smoothest trading experience, complemented by excellent and responsive client support.

Eurocapital offers an escape from recycled liquidity and frustrating mediocrity. With Eurocapital, you can tap into the deepest pools of liquidity with top-of-book prices, and trade any instrument and any market, however you choose.

- We grant you access to deep and highly customised liquidity pools aggregated from Tier 1 and non-bank sources.
- We provide multi-asset liquidity complemented by exceptional fill rates and top-of-book capabilities.
- Our innovation is limitless, and we are highly agile in distilling unique trading solutions.

# D E P T H & D I V E R S I T Y

Our liquidity pool is distinguished by its rich banking heritage, multibillion-pound funds and institutional network.

Eurocapital provides access to the world's most vibrant financial markets and the diverse asset classes they come with, all in one place.

- We provide access to global financial markets and indices with high-potential revenue growth.
- We combine our natural client order flow and a range of external pricing sources to offer consistent liquidity and unparalleled market depth.
- We work with you to construct a bespoke price based on our Tier 1 bank relationships combined with our own liquidity for a minimal market impact solution.

## OUR MARKET RANGE

We offer a wide range of products, including:

FOREX

EQUITIES

CFDs

FUTURES

## F L U I D I T Y

## &amp; F L E X I B I L I T Y

Eurocapital designs and customises every feature of your bespoke trading environment so that you can trade your way.

Supporting traditional, algorithmic and automated trading strategies, we also offer both FIX and REST API solutions.

- Our superior technology is capable of powering 200 orders per second, with a total round trip (excluding latency) of 1-2 milliseconds.
- We facilitate co-located connectivity to LPs in LD4, NY4, TY3, HK, Singapore and Shanghai.
- Our ultra-low latency and uninterrupted trading flow ensure maximum efficiency and fast execution.

## OUR TRADING PLATFORMS

We are integrated with professional trading platforms and technologies, including:

**Bloomberg**

**CQG**

**SS&C | EZE**

**TRADING TECHNOLOGIES**
